

Celebrate!

Dear friends,

Join the members of Monroe Alliance Church in celebrating 100 years of worshipping our Lord & Savior, Jesus Christ. We are planning to celebrate our past and look forward to our future while we continue to Honor God, Connect Lives, and Serve Community.

Monroe Alliance Church began in a humble fashion in a meeting of one woman, her two sons, and one woman who responded to the invitation to come and study the Bible together. From those humble beginnings the church has experienced times of growth and great excitement as well as times of decline and disappointment. In all times, we recognize Jesus as the author of our journey!

This year will be filled with opportunities to celebrate a century of being a faith community in Monroe, times to take our every year occasions and use them as moments to remember, and opportunities to reach out to our community with the Gospel of Jesus Christ.

In this year every member's contribution matters. Every dollar contributed will help MAC to continue in its mission. Every hour served will help MAC honor what God has given to us. Every moment spent together is an opportunity to see what God does when His people gather!

I hope that you'll join the MAC family this year in honoring God, connecting lives, and serving community.

May we be found faithful until His glorious return!
